

Riverside General Hospital – Patient & Visitor Handbook

1. About Riverside General Hospital

Riverside General Hospital is a multi-specialty facility offering care across Cardiology, Emergency Medicine, Orthopedics, Pediatrics, General Medicine, and Radiology. Our main campus consists of Building A and Building B, connected by a covered walkway on the ground floor.

2. Visiting Hours

General visiting hours are 10:00 AM to 12:00 PM and 5:00 PM to 7:00 PM, daily, unless otherwise noted for a specific department. The Emergency Department is open 24 hours a day; visitor access there may be restricted while treatment is in progress, at the discretion of the attending physician. Only two visitors are permitted at a patient's bedside at one time. Children under 12 must be accompanied by an adult at all times.

3. Admission Procedure

Patients being admitted for a scheduled procedure should report to the Admissions desk on the Ground Floor of Building A at least two hours before the scheduled procedure time. Please bring a valid photo ID, your insurance card or payment method, and a list of any medications you are currently taking. A member of the admissions team will verify your details, explain the estimated costs, and issue a patient wristband with a unique admission number. Emergency admissions bypass the Admissions desk and are handled directly through the Emergency Department.

4. Discharge Procedure

Discharge typically takes place between 10:00 AM and 12:00 PM to allow rooms to be prepared for incoming patients. Your care team will provide a discharge summary, a list of prescribed medications, and instructions for any follow-up appointments. Please settle any outstanding balance at the Billing desk before leaving. Transport arrangements, including ambulance service, can be arranged through the nursing station on your floor.

5. Facilities

The hospital campus includes a 24-hour pharmacy on the Ground Floor of Building A, a cafeteria on the 1st Floor of Building B open from 7:00 AM to 9:00 PM, and a dedicated parking structure with reserved spaces for patients with mobility needs near the main entrance. Free Wi-Fi is available throughout both buildings under the network name "Riverside-Guest". An ATM and a small gift shop are located near the main lobby.

6. Patient Rights and Privacy

Riverside General Hospital is committed to protecting patient privacy. Staff will not discuss a patient's condition, treatment, or location with anyone other than the patient or their designated representative without explicit consent, except as required by law. Patients have the right to review their own medical records and to request corrections through the Medical Records office.

7. Billing and Insurance

Riverside General Hospital accepts most major insurance providers. A cost estimate can be requested from the Billing desk prior to any scheduled procedure. Payment plans are available for patients experiencing financial hardship; ask the Billing desk about eligibility.

8. Emergency Information

In a medical emergency, proceed directly to the Emergency Department entrance on the Ground Floor of Building A, or call our emergency line. The Emergency Department is staffed and open 24 hours a day, every day of the year.

9. Contact and Feedback

For general inquiries, please contact the main reception desk. We welcome feedback on your experience through the comment cards available at each nursing station or via the feedback form at the main lobby kiosk.
